

Sweffling Village Hut Report 2021

Hi Mike,

Thanks for the info.

Nothing much has gone on in the hut over the last 12 months, the elections are due in May, and hopefully we can hold a meeting in the hut in July to discuss the way forward.

A new extension to the hut has been agreed, and Julian Rowe will be commencing the work after the elections, a date to be agreed.

I shall be offering my resignation as chairman at the July meeting, and advertise for a new chairperson who could be elected at the AGM in November, I hope we get some applicants from the new younger people in the village.

Unfortunately I will be unable to join your zoom meeting. I hope it goes well.

Regards

John
